## **HISTORY OF ACE**

**ACE** - Adirondack Car Enthusiast was started by a small group of car people in Washington County New York in February of 2008. We host two car shows a year, generally one at Crandall Park in Glens Falls and a night show at Derby Park in Hudson Falls. Besides the car shows we hold a cruise in every Wednesday night at Mr. Bill's Car Hop on Saratoga road in South Glens Falls. A portion of the proceeds collected at these shows are designated to local charities.

Our show venue tries to incorporate activities that involve the whole family. Besides just the display of all the beautiful vehicles we have games to play and awards to give out. We also have some vendors that serve food while others advertise car related services or goods for sale.

*We would like to thank all of the participants, spectators, vendors and sponsors of these gatherings. Without all of you these events would not be able to take place.*

## **ACE's Vow**

The vow of the members of this club was to hold car related cruises and shows then donate a portion of our proceeds to local individuals, families or facilities that deal with those in need.

ACE does not discriminate and recognizes all models, makes and years of cars, trucks and motorcycles.
